Hi Kendra –

Gloria Vaughn, Miguel Moreno, and Valmichael Leos are on standby for possible deployment.

William Hurlbut will be traveling on Sunday to Farmington.

Thus far, these are the only personnel that are set to deploy, save for Bill who will be reporting at the command center on Monday.

Let me know if you need more info, and we'll continue to keep you abreast as we prepare to deploy personnel.

Susan/Mike

I still have yet to receive the official listing of those personnel who may deploy in support of the GKM incident. I receive a listing of those in the field currently, but what about those that are set to deploy?

I just received an email from Barbara Keeler indicating she was on the list. I need a listing from you all..please.
